**RESPONSE TO FTX RECOVERY TRUST'S 170TH OMNIBUS OBJECTION TO PROOF
OF CLAIM NO. 35616**

I, Jack Christopher Lucas, respectfully submit this response to the FTX Recovery Trust's 170th Omnibus Objection to Customer Claims regarding my filed Proof of Claim No. 35616.

1. My original claim, filed in good faith, was based on the account balances I held in my verified FTX account as of the petition date and shown in my portal.
2. I claimed:
 - \$3,400.00 USD
 - 0.00113361 ETH
 - 0.17513361 ETHW
3. The Trust accepts the ETH and ETHW amounts in full, but seeks to reduce my USD claim to \$1,700.00 based on a purported discrepancy in their records.
4. I object to this reduction and submit supporting documentation clearly showing my account balance at the time, which includes \$3,400.00 USD.
5. Attached is a screenshot from my FTX account portal showing the Total Customer Entitlement Claim of \$3,402.15, which includes \$3,400.00 USD listed in the Balances tab.
6. There is no discrepancy - the amount I claimed matches what was recorded in the FTX system at the time of the bankruptcy.

I respectfully request that the Court deny the reduction of my USD claim and allow the full amount as originally filed.
